ORDER

15 In this *pro se* prisoner civil rights action, review of the unofficial inmate record on the
16 website for the Nevada Department of Corrections (NDOC) reflects that plaintiff may have
17 passed away, which potentially would render the action moot.

18 IT THEREFORE IS ORDERED that, within fifteen (15) days of entry of this order,
19 defendants shall file an appropriate notice reflecting petitioner's current status vis-à-vis NDOC
20 custody and, if warranted by a change of status, any motion appropriate to the situation with
21 regard to this action.

22 DATED: November 5, 2010.
